The Board of Directors welcomes participation at committee meetings by community members, and all meetings are open to the public. For citizens who would like to be more involved, the Board may also appoint community members to serve on certain committees. Currently, the Board is looking for community members to join the Finance Committee. The composition of the committee will include three Board members and two community members. The role of the Finance Committee is to provide leadership, information, and recommendations to the Board and/or the Superintendent regarding the District's financial issues, systems, and procedures. The committee will meet the first Thursday of the month at 8:00 am during the school year.
